Description: Use of photographic images

Copyright Notice: © (name of Licensor) _____, all rights reserved.

Subject to the terms and conditions contained herein, the undersigned, (name of Licensor) _____ hereby grants to The Foundation for Photo/Art in Hospitals, Inc. ("Licensee") its successors, assigns, heirs, executors, and administrators, a non-exclusive license to use, donate, and incorporate the photographic images described below (the "Work") in perpetuity commencing on the date this agreement is executed. In addition to and without limitation of the foregoing, Licensor specifically licenses the posting of the Work on the website of Licensee, www.HealingPhotoArt.org, the promotional exhibition of said Work by Licensee in its sole discretion and the donation of reproductions of the Work to hospitals and healing centers worldwide.

Licensee is a not for profit Delaware corporation recognized as a charitable organization by the U.S. Internal Revenue Service under Section 501(c)(3) of the Code. Licensee will use the Work to be licensed hereunder in connection with its charitable program to provide photographs to hospitals and medical treatment centers throughout the United States, and worldwide. The Work shall be used solely for the purpose specified herein and for no other purpose.

Licensee will use its best efforts to prevent the making of any reproductions whatsoever except in connection with the purpose specified. Licensee agrees to take all reasonable precautions to protect the copyright of the Licensor, including providing photo credit to the Licensor and notice of copyright protection in accordance with the Universal Copyright Convention.

Licensor acknowledges the charitable purposes of Licensee and hereby agrees to furnish the Work specified hereunder without charge for the duration hereof.

Licensor warrants that he/she is the legal owner of the Work. That he/she has the right to enter into this Agreement and grant the license herein and that the Licensee's use of the Work will not violate any rights of a third party.
